

**Dear Friends of
Bethlehem Lutheran Church & School,**

For over 135 years, Bethlehem Lutheran Church & School has been committed to a mission that reaches beyond the classroom: providing a Christ-centered education where children are known, loved, and encouraged to grow in faith, knowledge, character, and service.

At Bethlehem, education is about more than preparing students for the next grade. It is about helping children discover their God-given gifts, build a strong foundation for life, and understand they are deeply loved by Jesus.

We kindly ask your consideration in supporting our **2026 Bids for Bethlehem Dinner Auction on Saturday, October 24, 2026**. All proceeds will go directly towards new science and technology resources, student scholarships, facility improvements, and the ongoing ministry at Bethlehem.

We welcome donations of any kind, including: **Gift Baskets • Merchandise or Services • Gift Certificates • Unique Experiences • Monetary Sponsorships**

If possible, please have donations received by **Friday, October 2, 2026**.

They may be mailed or delivered to:
