

"Bethlehem is a place to meet friends that will last through high school and beyond. I am happy to have friends with the same beliefs as I have. I like that we can pray for each other."

BLS Student

"I am so thankful that my children have had this opportunity to receive a Christ-centered education."

BLS Parent

"Teaching at Bethlehem is an opportunity to share not only my love for learning, but also the love I have for God's children and most importantly, the love God has for each of us!"

Teacher at BLS

"Chicago and graduation were the perfect ending to eighth grade. Many memories and good friends were made in my years there."

BLS Alumnus

Bethlehem Lutheran School admits students of any race, color, or national/ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, or national/ethnic origin in administration of its educational policies, admissions policies, financial assistance programs, athletics, and other school-administered programs.

Integrating Christ throughout our day, while providing an excellent education, is a top priority at Bethlehem. We believe that when we put Christ first in all that we do, we not only receive the best, but we are building a solid foundation for life.
