

"Bethlehem is a place to meet friends that will last through high school and beyond. I am happy to have friends with the same beliefs as I have. I like that we can pray for each other."

**BLS Student**

"I am so thankful that my children have had this opportunity to receive a Christ-centered education."

**BLS Parent**

"Teaching at Bethlehem is an opportunity to share not only my love for learning, but also the love I have for God's children and most importantly, the love God has for each of us!"

**Teacher at BLS**

"Chicago and graduation were the perfect ending to eighth grade. Many memories and good friends were made in my years there."

**BLS Alumnus**

Bethlehem Lutheran School admits students of any race, color, or national/ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, or national/ethnic origin in administration of its educational policies, admissions policies, financial assistance programs, athletics, and other school-administered programs.

*Integrating Christ throughout our day, while providing an excellent education, is a top priority at Bethlehem. We believe that when we put Christ first in all that we do, we not only receive the best, but we are building a solid foundation for life.*
