

WHY BETHLEHEM?

"Bethlehem is a welcoming school with a staff that is dedicated to nurturing each student. There are programs for all students – from art club to athletics and band lessons to forensics. Our children thrive on the challenging academics and the different ways the staff incorporates unique learning into its curriculum. They integrate service activities, encourage public speaking beginning at the young elementary ages, and frequently intermingle the grades to build strong student relationships and promote leadership development among the middle school-aged students. All the while, Christ is at the center of it all. Bethlehem students are taught to not only love one another but to love and serve Christ in all facets of life."

For over 135 years, Bethlehem has been sharing the Word of God and nurturing a love for Christian education. Our mission, ***Education for Today... Education for Eternity***, guides everything we do. We equip students to grow academically, socially, and spiritually in a supportive environment led by a caring staff.
