Mr. Klug's Corner

One of the greatest blessings of Bethlehem Lutheran School is the partnership we share with our families. We believe that educating a child is a team effort, and when parents and teachers work together, our students benefit tremendously. That is why I want to encourage every family to attend our upcoming Parent-Teacher Conferences on November 5 and 6.

These conferences are about so much more than grades and report cards. They provide an opportunity to celebrate your child's successes, discuss areas for growth, ask questions, and strengthen the relationship between home and school. Our teachers care deeply about each student, and your insight as parents helps us better understand and support your child. We want every family to feel connected, informed, and confident that we are working together for the good of their child.

First-quarter report cards will be distributed during conferences, making this an especially important opportunity to meet with your child's teacher. Please make every effort to attend. Our theme this year is Stronger Together, and there is no better example of that than the partnership between parents and teachers as we help children grow academically, socially, and spiritually.

We are also excited to welcome some special four-legged visitors to Bethlehem! Pawsitism will be bringing puppies to our campus as part of their training and socialization. Pawsitism works with puppies to help them become comfortable in different environments as they help children with autism. Having the puppies visit our school provides them with valuable opportunities to become familiar with children, their movements, and the sounds of a school environment.

The following members of our Bethlehem family will observe their birthday during the coming week:

Mr. Diener	Evelyn Grunewald	Grady Irish
Jacob Steinhaus	William Ursprung	Zedric Wegner

The following will celebrate the anniversary of their Baptism:

Kaden Anderson

Week 8 Parenting Tip: A Good Night's Sleep Makes a Big Difference

Did you know that one of the most important things you can do to help your child succeed in school happens before they even arrive in the classroom? Make sure they get enough sleep.

Sleep plays an important role in a child's ability to concentrate, remember information, manage emotions, and make good decisions. Students who are well-rested are often better prepared to learn, handle challenges, and interact positively with classmates and teachers. On the other hand, a lack of sleep can lead to frustration, difficulty focusing, and struggles with behavior and learning.

School-aged children (ages 6–12) generally need 9–12 hours of sleep each night, while teenagers need 8–10 hours. Younger children typically need even more.

A well-rested child is a child who is better prepared to learn, grow, and enjoy the blessings of each new day!

Seroogy's Update

"Thank you to everyone who sold Seroogy's chocolates and coffee during this year's fundraiser. As a school over \$13,000 was sold! This is our biggest year of sales ever! An all-school treat will be planned for the future.

Congratulations also to our top 4 sellers: Lilyahna Gabrielse, Oliver Yurk, Anastasia Backus, and Jamari Freeman.

Reminder that pickup is Monday, Oct. 19th. Small orders will be sent home with students while the larger orders will be picked up from the playground at dismissal. We will follow our normal dismissal and pick up procedures.

Parent Teacher Conferences

Conferences for all students will take place Thursday, November 5, 3:30 – 6:30 pm and Friday, November 6, 7:30 am – 3:30 pm.

Report cards will only be distributed at parent-teacher conferences. To receive your child's report card, you must meet with your child's teacher.

To schedule your conference date/time complete the form that was sent home earlier this week (copy also attached to newsletter) and return to your child's teacher by Wednesday, October 21. Confirmation of date/time will be sent home Monday, October 26.

Parent-Teacher Conference Scheduling Form | November 5–6, 2026

Dear Bethlehem Families,

Parent-teacher conferences are quickly approaching! These meetings provide an opportunity to discuss your child's progress, celebrate successes, and identify areas for continued growth.

Conferences will be held Thursday, November 5, from 3:30–6:30 PM and Friday, November 6, from 7:30 AM–3:30 PM. There will be no school on Friday, November 6.

First-quarter report cards will only be distributed at parent-teacher conferences. To receive your child's first-quarter report card, you must meet with your child's teacher.

Please rank the three time periods below in order of preference (1 = first choice, 2 = second choice, 3 = third choice). Teachers will coordinate schedules so that conferences for siblings are at or near the same time whenever possible. We will do our best to accommodate your preferences.

Please return this form by Wednesday, October 21, 2026 to your child's teacher. You may return one form per family.

Thank you for your partnership in your child's education. We look forward to meeting with you!

Blessings,
Mr. Klug
