We have already begun ordering textbooks and supplies for next year and want to make sure we order the correct amount. This pertains to all students including those receiving WPCP vouchers. Your student is not enrolled, and a spot is not guaranteed for them until the Sycamore enrollment has been completed and the enrollment fee paid. If you have any questions, please contact the office.

### School Library News

All school library items should already be returned to the library. If you still have materials, please return them now. Parents will be charged for any items not returned.

### Student Medications

If you provided medication for your child to take at school, you must pick them up personally as the law prohibits us from sending them with a child. If medications are not picked up on or before Friday, May 30, they will be disposed of by the school. No medication will be held for next year.
