As we begin to wind down our wonderful school year at Bethlehem, we want to take a moment to celebrate our students for the outstanding job they did at the Spring Concert. Their hard work, talent, and joyful praise were evident throughout the evening, and we are so proud of the way they represented our school. A special thank you as well to all of the parents, families, and friends who supported our students and attended the concert.

VIP Day was also a tremendous success! It was such a blessing to welcome so many grandparents and special visitors into our classrooms and hallways. Thank you to all of our VIPs for taking the time to spend the day with us and experience the special ministry happening at Bethlehem. The smiles, laughter, and memories shared made for a truly meaningful day for our students.

Although the school year is quickly coming to a close, there is still so much ahead for our students and staff. We look forward to upcoming field trips, the 8th grade class trip, end-of-year events, and celebrating our graduates at 8th grade graduation. As we finish out the year, let us continue to live out our theme of "Whatever," remembering Colossians 3:17: "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him." Let's finish the year strong together!

### **Urgent Enrollment Reminder for 2026-27 School Year**

Your student is not enrolled and a spot is not guaranteed for them until re-enrollment has been completed and the enrollment fee paid. All students who will attend Bethlehem for the 2026-27 school year, including those who have applied for WPCP vouchers need to complete the Sycamore re-enrollment.

### **Wisconsin Parental Choice Program Update**

The third application window for the 2026-27 Wisconsin Parental Choice Program (WPCP) is open May 1 – May 20. Students in grades 4K, KG and 1 are eligible to apply. Don't wait to enroll or re-enroll as the choice seats are now awarded on a first-come, first-serve basis and may not be available if you wait. Applying early gives your child the best chance at securing their seat for the 2026-27 school year.

If you have questions or are not familiar with the WPCP program or how it works feel free to contact the school office.
