No School

School office hours when school is in session are Monday – Friday 7:30 am – 4:00 pm. When school is not in session or closed due to weather, holiday, etc. the office is also closed. Voice mail and email are available for all school staff and messages can be left outside of office/school hours.

Mr. Klug's Corner

What a great first week of school! It has been wonderful to have our hallways and classrooms filled once again with the energy, smiles, and excitement of our students. We are so happy to have everyone back in the building and are looking forward to a fantastic year of learning, growing, and being Stronger Together. Thank you to our families, students, and staff for helping us get the year off to such a great start! We are excited to welcome our new staff members to Bethlehem for this school year! Charmaine Kempf and Tamie Kiser will be serving as aides in our 3K classroom. RuthAnn McLaughlin will be joining us through the Lutheran High apprenticeship program, serving in our Extended Day program and assisting in classrooms each afternoon. We are thankful to have Charmaine, Tamie, and RuthAnn as part of our Bethlehem family and look forward to the many ways they will support and encourage our students this year!

Dismissal Information

Thank you for your patience and cooperation as we continue to work through our dismissal process at the start of the school year. For the safety of our students and families, please remain along the curb on the streets surrounding the school while waiting for dismissal. If you encounter a parked car along the curb, please have only one car at a time move into the traffic lane to pass. This will help keep the roadway open and allow traffic not involved in our dismissal process to continue moving safely. We have also been asked by the Sheboygan Police Department to keep all crosswalks clear at all times. This is important for the safety of our students, families, and neighbors who need to cross the street. Thank you for your patience and for working together to help make our dismissal process as safe and smooth as possible!

We know that for those who love God all things work together for good, for those who are called according to His purpose. Romans 8:28

Community Family Fair at Sheboygan Lutheran

Join us for family fun at Lutheran High School's Annual Community Family Fair! It's an afternoon of giant bounce houses, inflatable obstacle courses, carnival games, face painting, concessions, and more. This event is open to the public so bring a friend!

Phone Numbers/Email Addresses

It is necessary for parents to keep the office informed of any changes to phone numbers or email addresses. We must be able to contact a parent in case of an emergency or illness.

Also, we frequently send information to parents electronically and want to make sure that you receive all notices. If you change phone numbers or email addresses during the year, please contact the office with this information immediately.

Morning Arrival Reminder

Students are not to enter the school before the 7:50 am bell. Students who arrive before 7:40 bell will be checked into the Extended Care Program. (Parents are billed for this program). Students arriving after 7:40 but before 7:50 am are to line up on the playground near the south school entrance until the entry bell rings at 7:50 am. On days when it is raining or the wind chill is below 0 degrees F., students arriving between 7:40 and 7:50 am will be allowed to wait inside the cafeteria. Students are to enter the school through the south (playground) doors.

After School Pick Up

Please make sure that your student knows if they will be picked up after school or if they need to attend extended care before they arrive in the morning. Except for emergency situations, messages will not be given to students during the school day. Students who have not been picked up by 3:25 will automatically be sent to extended care and should be picked up from there.

USDA is an equal opportunity provider.

Student Medication

State law requires that all students who require medication (either over the counter or prescription) provide the office with proper written consent. This includes students who carry asthma inhalers and self-administer.

If your student requires ANY type of medication during the school day the [Medication Request and Release Form](#) must be on file with the office. No medication will be administered without the proper paperwork.

Also, for the safety of students – ALL medication should be kept either by the teacher or in the office (in the original container). Students should not have any type of medication in their backpacks, pickets, desks, or lockers.

Concerns/Complaints

If at any time during the school year you have a concern or complaint about something in the school, please bring it to the attention of the proper person in the school. Questions or concerns about a teacher's procedures, a child's homework, grades, or anything happening in an individual classroom should be addressed to the teacher. If the question or concern is about something in school in general, or if you are not sure with whom you should speak, then contact Mr. Klug. We want to know when you have a concern and address it.

Use of Video Monitoring on School Buses

Attached is a [notice](#) we received from the Transportation Supervisor at the Sheboygan Area School District informing parents of the use of video cameras on school buses. Questions about the use of video recording should be addressed to the Transportation Office at 920-459-3569.
