Extended Care News

Extended Care is off to a great start now that we are getting into the swing of things. If you haven't already heard from your child/children, grades 3rd – 8th grades go to Homework room in the Extended Care room for 45 minutes to work on any homework and eat a snack. It is also a great time to ask any teachers questions since most are here until 3:30. If your child/children does not have homework, they are to bring a chapter book/books, along to read. If they do not have any of these things, a book or coloring pages will be provided. At 4:00, we will head outside for some fresh air and get our wiggles out.

The 3K-2nd graders will go down to the cafeteria to spend time with their age groups. They will have snack and head outside pending the weather that day.

Just a reminder that if your child/children will need to be released from Extended Care for games or practices, we will need an email or note for the release each time.

We welcome back Mrs. Albertin, Mrs. Cyr, Mrs. Hanson and new this year Mrs. Tschudy. If you have any questions, please feel free to reach out to Mrs. Albertin.

Cross Country

After competing in our first meet at the Cowbell Invitational last week, the Badgers look strong with many runners having personal best times!

8th grader Olivia Flores finished in 2nd place overall with a time of 8:50.8 to lead the Bethlehem girls. For the boys, 8th grader Caron Grunewald showed the way by finishing with a time of 8:02.5, good for 6th place overall.

The Badgers had 7 out of 11 runners set their personal best times for this meet. 7th grader Conrad Hasler improved his best time by almost 3 minutes showing by example that hard work and determination can lead to significant improvement!

BLS will be competing next at Living Word High School on Wednesday, September 18th.
