Weather Related School Closures

We will be using our School Messenger System through Sycamore to send text messages and emails to inform our families of inclement weather decisions. Please, be sure to keep your contact information up to date in our records.

If you have not yet signed up for text messages, we highly recommend you do so.

- Go to "My School" – "My Notifications"
- Select the "primary parent" from the drop-down menu (at this time we are only able to add one number per family to receive text alerts)
- Make sure the "Enable Messaging" box is checked
- Select the correct cell phone number in "SMS" (make sure are code is included)
- Select the correct carrier
- Check – "School Closing Notifications"
- Click the blue "Update" button in the upper right corner

This system will only be used for the school to send out notifications. We will not respond to text messages sent to us.

In the event there is a two-hour delay, there will be no 3K or 4k classes held that day and extended care will not be available before classes begin.

If we close early, all students must be picked up as quickly as possible. Extended care will not be available.
