COVID PROTOCOL AS WE MOVE FORWARD TOGETHER -- In light of recent information from the CDC, we have changed our policies (effective Saturday, May 29th). We are not going to expect the use of masks in worship. However, please continue to use your own discretion regarding face coverings. Also, if you are uncomfortable with larger gatherings, please remember that we offer a Wednesday evening service at 6:00pm that allows for more distancing between individuals and families

DO YOU KNOW SOMEONE IN THE HOSPITAL OR NURSING HOME? -- As institutions and our society begin to open up after COVID, we are trying to update our shut-in list so our pastors can provide comfort, support, and the Lord's Supper to those who are not physically able to come to worship services. If you know of someone that is shut-in at home, please let the church office know so we can update our list and make sure that we are caring for all of the body of Christ. This also pertains to those who might be entering the hospital. If you or someone you know is going into the hospital, please let the pastors and/or the church office know. Thank you for your assistance in these efforts!
